Subject: Special Education Endowment Fund Grant Application for 2026-2027

Progress Status Report for 2025-2026
(Please complete if you received a grant this current school year.)

Enclosed you will find an application and materials for the **2026-2027 Special Education Endowment Grant** funding. This funding was established to help congregations address the special needs of children who in some way are experiencing difficulties in learning.

The Mid-South Special Education Committee will be meeting this summer to review the grants submitted to the District. **Please have your application back to the District Office before June 30th.** If you have any questions concerning the forms, please call me or Julie at the District Office.

If your school received Special Education Endowment Funds for 2025-2026, your *Progress Status Report* is also due at this time. The District will also need this report by June 30th.

May the Lord continue to bless your ministry.
