(Please complete if you received a grant this current school year.)

Enclosed you will find an application and materials for the **2022-2023 Special Education Endowment Grant** funding. This funding was established to help congregations address the special needs of children who in some way are experiencing difficulties in learning.

The Mid-South Special Education Committee will be meeting this summer to review the grants submitted to the District. **Please have your application back to the District Office before June 15th.** If you have any questions concerning the forms, please call me or Julie at the District Office.
